Photo Rules

- ☐ Skin tone stays stable across posts
- ☐ No extreme beauty filters that change identity
- ☐ Lighting family consistent (e.g. natural daylight, soft cinematic)
- ☐ Outfit categories defined (casual / elevated / sport / evening)
- ☐ Backgrounds match niche (travel, studio, café, gym...)

Typography Rules

- ☐ Max 2 fonts account-wide
- ☐ Title case or sentence case — pick one
- ☐ Avoid all-caps walls of text
- ☐ Line length short for mobile
- ☐ Text contrast AA-ish (readable in sunlight)

Logo & Watermark

Policy (choose one):

- ☐ No watermark
- ☐ Small corner mark on selected posts only
- ☐ End-frame logo on Reels only

Never place marks over the face.

Layout Rules

- ☐ Consistent margins (e.g. 60–80 px on 1080 designs)
- ☐ Face not covered by stickers
- ☐ One focal point per frame
- ☐ Carousel title position locked
- ☐ Highlight covers share one icon style

Do / Don't

Do	Don't
Let the AI photo lead	Cover 40% of the image with text
Use brand colors sparingly	Rainbow every post
Crop bad AI artifacts	Hide mistakes under stickers
Match caption voice to visuals	Loud meme fonts on luxury niche

Pre-Export Design Gate
